Welcome, and thank you for being part of as long-standing WRA tradition – honoring leadership, vision and stewardship in water resources management in the Delaware River Basin. A few guidelines to keep your evening festive and safe:

1. **What to wear:** business casual. This event is essentially outside – covered, but open. It may be breezy, or humid, or perfectly pleasant. Check out the weather, and dress as you see fit. We will have a professional photographer, so keep that in mind as well.
2. **What to bring:**
 - a. Mask if you will more comfortable with one
 - b. \$20 for the Wine Pull!
 - c. A tip for the valet (you can park your own car if you prefer)
3. **COVID precautions:**
 - a. This is an outdoor event, see the picture below. Dining and bar stations will be spaced. We will have plenty of seating options.
 - b. Masks are welcome, and will be available, throughout the event.
 - c. If you are not vaccinated, a mask is recommended and requested.
 - d. No handshakes, no hugs: stickers for name tags will be available so you can easily alert other attendees that you want to say hello without contact.
