

Lauren MulQueen, Global Business Development, Nouryon; Business Advisory Committee Chair, Radnor Township

Lauren Mulqueen leads global business development efforts in oxidation technology applications for Nouryon, a global specialty chemicals manufacturer.

She started her career with PwC before moving to the private sector and supporting 3 companies through the IPO process with transformation strategy and public company financial compliance.

She currently resides in Wayne, PA, and supports her community by chairing Radnor Township's Business Advisory Committee, whose current hot topic is related to water management.

She holds a B.S. from Fordham University, an MBA from The University of Pennsylvania, and a CPA license from the State of NY.
